

Super Student Adventure Guide

As summer ends and school begins, let's get ready for the adventure of another great year!

Speak with the school nurse about any medications you may be taking.

Talk to your new teachers. Make sure they are aware of your needs to help you do your best! Encourage your teachers to visit www.TurnerSyndromeFoundation.org for more resources.

Meet with your school psychologist or counselor. By telling them about your needs and worries, they'll be ready to help you if you ever need it!

Be the teacher and share with your classmates. If you're ready, teach your class about Turner Syndrome. Share how they can be a good friend to someone with Turner Syndrome!

Share with TSF about your summer and how you get ready for another school year! Some stories will be featured on our website!

Visit our website for more learning resources!

You're a **SUPER STUDENT!**

Print, color, and cut out your A+ Super Student! Show your teachers and tell them how you will be a Super Student this year! Take a picture of you with your Super Student masterpiece and upload it when you share your story with TSF!
