Invite someone new to join Star Sisters	...has the same hobby. -----	Download the Awareness Packet	Tell us something you want to learn about related to TS	...of what makes you special!

## HOW TO PLAY

Print out the bingo card and cross off the items as you complete them. In some cases we'll ask you to write someone's first name on the card.

Once you complete regular bingo (5 in a row any direction), you will win a prize. If you complete blackout bingo (entire card), you will receive an extra special prize! Post a picture of your bingo card once you are finished in the Star Sisters Facebook group.
