LIFE CHANGING IMPACT**

Mission Statement:

The goal of the Turner Syndrome Foundation is to support research initiatives and develop educational programs, which will increase professional awareness and enhance medical care of those affected by Turner Syndrome. Early diagnosis and comprehensive treatments over the lifespan will lead to a brighter and healthier future for all young girls and women with Turner Syndrome.

TSF is a 501(c)(3) nonprofit organization

We can help.

Hello!

Your BRAND + TSF Mission = Life Changing IMPACT! We would like to invite you to support the Turner Syndrome Foundation with an in-kind donation in support of our 12-month awareness challenge. Much sought after merchandise and services are widely promoted to encourage individuals to engage with the Turner Syndrome Foundation. Your generous donation will motivate followers to give to an important cause while also promoting your brand.

Studies show that 86% of individuals consider a company's commitment to a social issue when deciding which brand to buy. Likewise, 74% of individuals take this into consideration when recommending products to others. With more than 10,000 visitors to our website each month and an additional 10,000 followers on Facebook from across the United States, this opportunity offers widespread brand recognition and a chance to showcase your company as a compassionate business that cares about women in their workforce and community.

Turner Syndrome is a leading genetic disorder randomly affecting every 1 in 2000 females. Only 1-3% of babies diagnosed with Turner Syndrome will survive, accounting for about 15% of miscarriages in the United States. For those babies who do survive, they will require a lifetime of specialized care.

With your generous support, Turner Syndrome Foundation will continue to fund life-changing programs to help baby girls thrive against all odds. I hope we can count on your support.

If you would like to submit a donation, please send your items to the address below and include the value of the product in order to receive a tax receipt:
