

ADVOCACY

VOLUNTEERS & INTERNS NEEDED

What We Do

We support girls and women with Turner Syndrome by raising professional and political awareness.

Why Do We Need Volunteers and Interns?

We need volunteers to help us in our goal to make February National Turner Syndrome Awareness Month and to increase professional awareness of the condition!

What Skills Are We Looking For?

- Networking skills
- Communication skills
- Writing Skills
- Research/Analysis Skills
- Social Media Skills
- Policy Expertise/Experience
- Experience with Advocacy
- And most importantly...
• Dedication!

When Do We Meet?

Every
Thursday @ 8pm EST
Starting October 20

Volunteers and Interns Welcome from Everywhere in the U.S.!

Families/People with TS are Especially Welcome

Novice, Professional, and Expert level internships/volunteer positions available

What Do Volunteers and Interns Do?

- Be a part of a national task force for Turner Syndrome
- Contact and meet with local representatives to speak with them about TS and the importance of federal awareness
- Organize awareness events with volunteers across the country
- Research issues that people with TS are facing and which need greater awareness in the medical field and in the general public
